

During 2011, the Pennsylvania Uniform Crime Reporting (UCR) Program received data for 1,778 jurisdictions. Contributions to the Program may range from the submission of data for one month to the submission of data for the entire year. Individual agencies may have submitted data for multiple jurisdictions. Contributing jurisdictions and the corresponding number of submissions are identified under the next link.

Prior to June 1, 2005, reporting of UCR data by Pennsylvania law enforcement agencies was not mandatory. On November 29, 2004, Act 180 was signed into law, mandating participation in the UCR Program for all state, county, and local law enforcement agencies within the Commonwealth.

Information contained in this report is based on actual data submitted as of the date of compilation. Analysis is based on data that may have been updated after release of preceding years' reports.
